

## SOKOLIKI TURKEY TOAST HAM

Turkey toast ham, scalded, non-smoked, in slices. The delicate taste of the cold cut appeals to children and young people. The product is characterised by high meatiness (90% turkey meat) and its universal culinary use. It is a perfect addition to toast, sandwiches, casseroles and salads. Like all products from the Sokoliki line, the ham does not contain preservatives, phosphates, or monosodium glutamate. Packaged in a protective atmosphere.
