

## BARBECUE ON THE GO

Pork and poultry sausages, medium-minced, smoked, scalded, sterilised, without casing. It is a product characterised by excellent taste and convenience in storage and transport. Thanks to the sterilisation process, a special thermal treatment which guarantees the safety and highest quality of foodstuffs, the sausages can be stored at temperatures as high as 25°C. Therefore, you can take them with you wherever you like - on a journey, on a trip, on a picnic, a bonfire, or a barbecue - without having to worry about them losing their quality outside the fridge.
