

## BEEF JERKY

Sliced beef, dried, baked. The product is distinguished by its excellent taste and very high meatiness (264 g of beef was used to produce 100 g of beef jerky). Dried beef is excellent as a snack at work or during travel. It is also high on the diet list of athletes and people watching their weight as it is a high-protein snack, which, when chewed slowly, increases the feeling of being full. The product is packed in a protective atmosphere. Weight: 25 g
