

## BONELESS ROAST BEEF STEAK

The roast beef steak is very high on the list of the best barbecue proposals. It is second to none when properly prepared on a frying pan or grill – the steak is crispy, juicy, and very aromatic. And what is particularly important – its preparation takes only a few moments. To make this process easier, use the Stek Timer Sokolow app.  
Packaging: vacuum packed.  
Weight: 300-400 g
