

KINDZIUKAS GOLD

The kindziukas has always been present on the traditional Polish table. Its secret lies in the use of the best types of meat and specially selected spices, which taste and aroma is reserved only for this sausage. Our kindziukas is characterised by high meat content (160 g of pork was used to produce 100 g of product). The uniqueness and sophistication of this cold cut can be best assessed to assess when served cut into very thin slices as a snack or an addition to a dry red wine.
