

SARMATIAN TENDERLOIN GOLD

The Sarmatian tenderloin is certainly one of the noblest meats produced by Sokolow under the Gold brand. It is a great product originating from the Polish and Southern European charcuterie tradition. Carefully selected composition of spices and long maturation process guarantee that the tenderloin will satisfy even the most demanding palates. It is worth noting that it has a high meat content (160 g of pork was used to produce 100 g of product).
