

ŚLĄSKA SAUSAGE ON THE GO

Pork sausage with beef, medium minced, smoked, scalded, sterilised. The product's best qualities are its excellent taste, high meat content (73% pork and 7% beef) and convenience of storage and transport thanks to sterilisation. The sausage does not require refrigeration, so you can take it with you anywhere - it's perfect on the road, outdoors and in all other places where there is no access to a fridge (can be stored at up to 25°C). This is the perfect product for barbecue, picnic and campfire lovers looking for meat products they can safely eat away from home.
