

STÓWKI CHICKEN BREAST WIENERS

They have been created for people who opt for top quality poultry products. The Stówki wieners are produced with the highest standards of quality and safety. They contain no added monosodium glutamate, colourings and phosphates. The product is distinguished by its high meat content (100 g of wieners are made from 100 g of chicken breast meat) and delicate taste, which has been emphasised by the addition of natural spices. They taste best served hot: warmed in water, browned on the grill or fried in a frying pan.
