tartar sauce or horseradish combined with sour cream

---

### PREPARATION:

1. Dissolve yeast and sugar in the water. Add flour, salt and mix and then knead by hand until the dough is smooth and elastic. Form a ball, place it in a bowl, cover with plastic wrap and let stand for 40 minutes in a warm place.
2. Next, divide the dough into 60 g portions, and use a rolling pin to slightly roll out the dough on a surface sprinkled with flour. Put various extras on each piece of dough and wrap it. Glue the edges of the dough carefully together, place on a baking tray lined with baking paper. Allow to rise for another 15 minutes. Bake in a preheated oven for 20-25 minutes at 200°C.
3. Serve with sauce.
